Letter of Reference

Mr. Oliver Brückweh, born on February 1, 1972, participated in the professional continuing education CAD qualification (AutoCAD R 14) at the FAA Gesellschaft für berufliche Bildung Hannover mbH from August 17, 1998 to December 18, 1998.

During this time, it was clear that he was very interested in the field of CAD design and possesses the necessary intellectual and creative talent for it. Mr. Brückweh carried out free design work independently and on his own initiative. Here he was able to put his very good perception, his professional knowledge and his interest in designing and drafting to good use. Mr. Brückweh worked in an exceptionally fast and systematic manner and always came up with optimal solutions.

His work was characterized by precision and reliability together with his characteristic sense of responsibility. He placed particular value on good teamwork with his colleagues.

We wish Mr. Brückweh all the best and much success in his future professional endeavors.
